ar Seat

down quickly and easily to space. Or the seat can mum of effort.

Rear Footwell

This comfort feature gives more foot-room to rear seat passengers for a more relaxing ride. Good news for the lanky six-footers among your family and friends.

Custom Interior

Smart-looking side support bucket seats are deep foam cushioned for comfort and tailored in durable easy-to-clean vinyl. Instrument panel and door trim panels are color-keyed with a choice of red, black, blue, green or tan. Steering whee and horn pad are black, sun visors are white.
